# OLIMPIA

---

trasformabile

Struttura in legno di abete e agglomerati di particelle di legno.

Braccia e spalliera agganciati con meccanismo a baionetta.

Sistema apertura rete tipo roller con reggiguanciali.

Rete elettrosaldata e materasso in poliuretano espanso h. cm 13

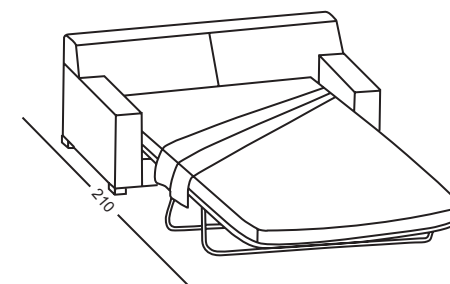

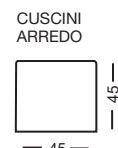

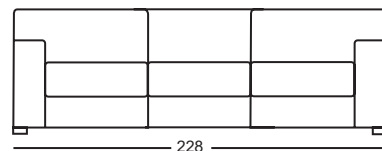

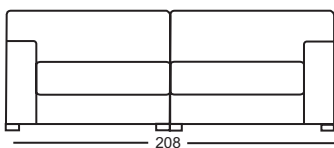

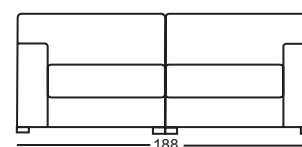

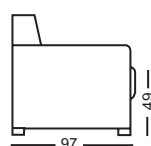

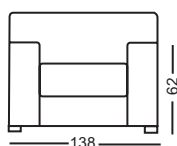

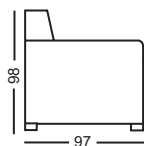

Imbottitura di poliuretano espanso a densità differenziata.

Rivestimento tessuto/ecopelle

Divano interamente sfoderabile

Senza chaise longue

---

trasformabile

Struttura in legno di abete e agglomerati di particelle di legno.

Braccia e spalliera agganciati con meccanismo a baionetta.

Sistema apertura rete tipo roller con reggiangiali e poggiatesta.

Rete elettrosaldata e materasso in poliuretano espanso h. cm 13

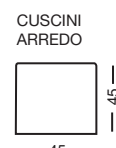

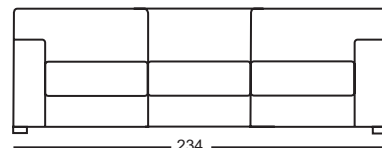

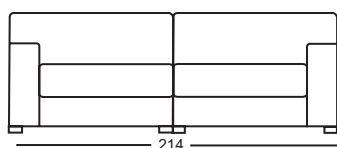

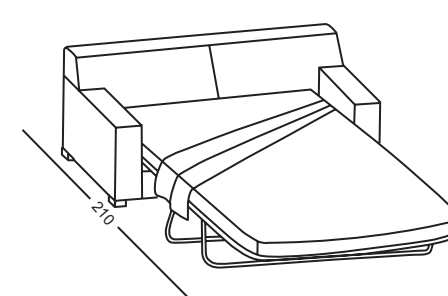

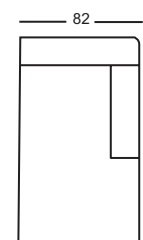

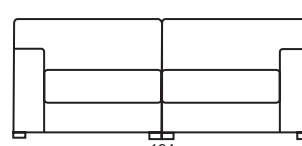

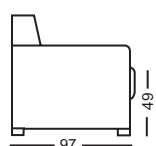

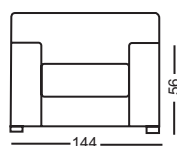

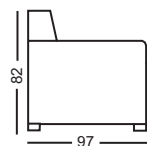

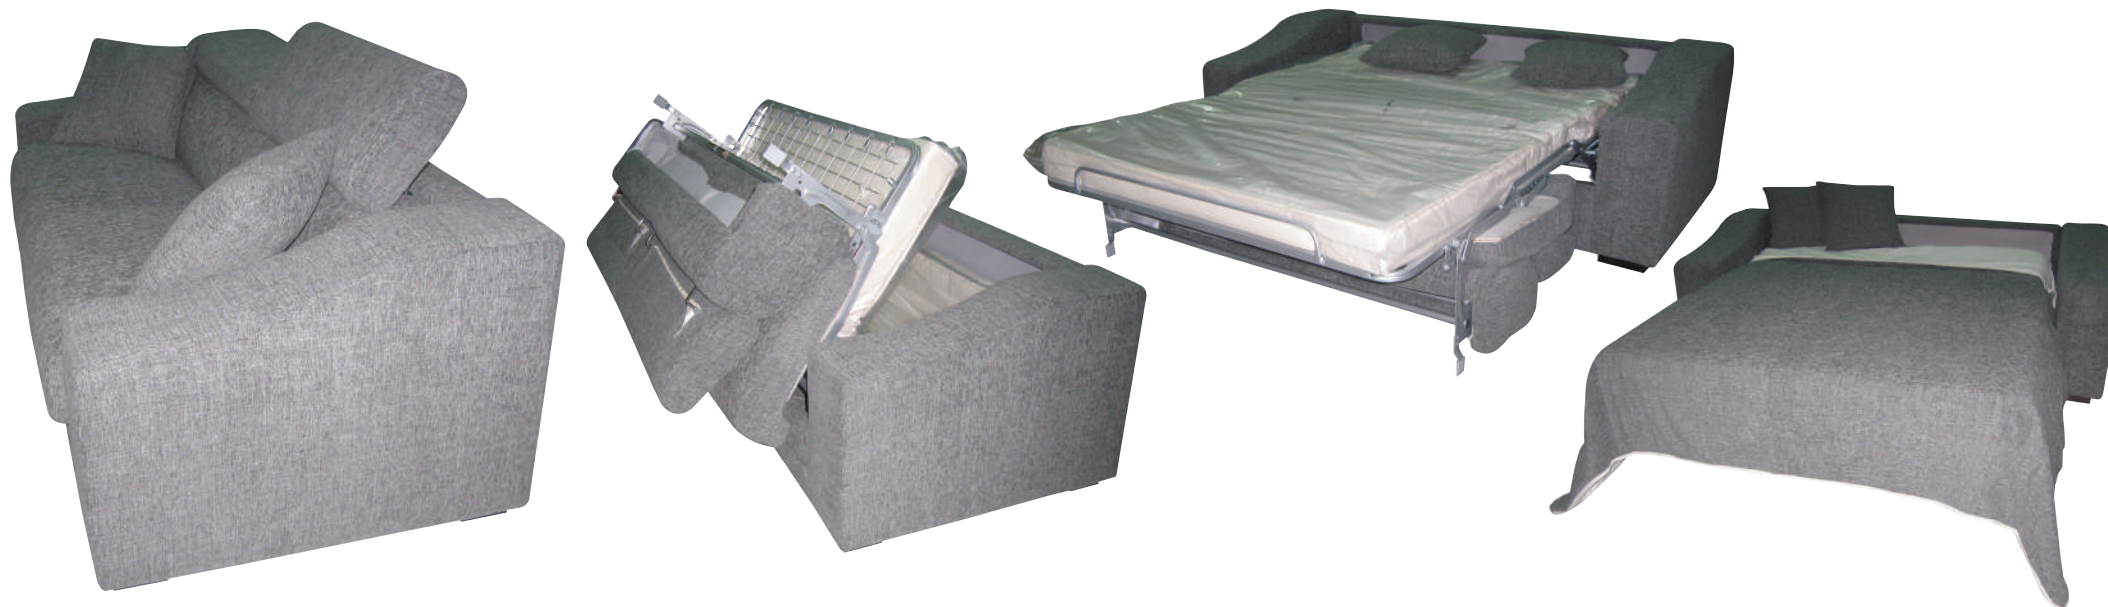

Imbottitura di poliuretano espanso a densità differenziata.

Rivestimento tessuto/ecopelle

Divano interamente sfoderabile

Inserimento chaise longue con contenitore e senza contenitore con aggiunta cm 82 alla misura del divano
